

ERIKA SOARES

FRONTEND DEVELOPER

I am a front-end web developer with a background in jewelry design. My love for creative problem-solving and continuous learning has led me to pursue a career in web development. I am passionate about using technology to create intelligent solutions that are accessible to a wide range of people. With my diverse background, I bring a unique perspective to the field and am always looking for ways to combine my artistic and technical skills. I am currently seeking a junior position in a company that values creativity and innovation in web development, and an opportunity to contribute and collaborate with a team.
